Depending on God for the Journey

Ezra 8:1-36 NKJV

Return and Rebuild • How God Renews His People

1. God provides _____ for the journey. (VV 1-20)

2. Dependence seeks _____ before stepping forward. (VV 21-23)

3. Faith handles _____ _____ with care. (VV 24-30)

4. Integrity _____ the journey. (VV 31-36)

Personal Application:

1. Where am I relying primarily on my own strength, planning, or resources instead of seeking God's direction and help?

2. Who has God placed alongside me for this journey, and how can I receive their help or encourage them more faithfully?

3. What decision or challenge do I need to place under "the good hand of God" through focused prayer?

4. What responsibility, resource, or trust has God placed in my care, and am I handling it with integrity?

5. What step of obedience is God asking me to take, even though I cannot yet see how the entire journey will unfold?
